

The following provides information regarding the CSQ Short Course General Construction and Civil Construction programs.

It also provides a breakdown of the two (2) different programs and the eligibility required for each one.

It also lists courses that are currently subsidised through the CSQ Short Course General Construction and CSQ Short Course Civil Construction Funding Programs.

Pro-Lift Training & Assessment Services can offer these courses at a reduced cost due to the funding available. Participants must meet the CSQ eligibility criteria to access the funding (please refer to or request the Pre-Enrolment Questionnaire).

Short Courses are partially funded, and a co-contribution may be required by participants or trainees that undertake the course/s. The relevant co-payments are to be negotiated at time of course enquiry.

Eligibility and Program Details	CSQ Short Courses Program Comparisons	
	General Construction	Civil Construction
Citizenship/Nationality <ul style="list-style-type: none"> An Australian or New Zealand citizen A permanent resident of Australia A holder of a refugee or humanitarian visa 	✓	✓
